SPECIES SEEN (*overleaf*)

Enter the date and length (approx. minutes) of each visit and indicate weather conditions overleaf. Record the actual number of each species seen or use the following codes: **A:** only 1 seen, **B:** 2-9, **C:** 10-29, **D:** 30-99, **E:** 100+.

If early stages (ova, larvae or pupae) or mating of a particular species are seen, use codes **O**, **L**, **P** or **M**, respectively.

IMPORTANT: By submitting information on this form I agree that it may be collated and disseminated manually or electronically, including via the Internet, for conservation, environmental decision-making, education, research and other public benefit uses in accordance with Butterfly Conservation's data access policy. Names and contact details of data suppliers will be used for administration and verification purposes only. Your contact details will not be passed to other parties without the consent of the data supplier, whilst your name will form part of the record that is collated and disseminated in accordance with Butterfly Conservation's privacy policy. Policy documents can be found at www.butterfly-conservation.org
